EXTENSION OF FINAL CLOSING DATE
OF 1955 COMMUNITY CHEST CAMPAIGN

1. On 4 November 1954 the Community Chest Federation adopted a resolution to extend the original closing date for this drive from 4 November 1954 to 18 November 1954, to allow those units which were considerably behind to reach 100 percent of their goal.

2. Although this Agency has reached 100 percent of its goal in contributions, there are some employees who have not participated. Therefore, we are extending the Community Chest drive within the Agency to the 18 November closing date, to ensure that persons who desire to contribute have an opportunity to do so.

3. It would be appreciated if additional pledges and cash could be in the hands of unit chairmen and keymen by the close of business 18 November 1954.
